THE Ultimate Vampire ANIMATION

In another world, another time, all the old legends of vampires...of ghosts...of were-wolves...are *real*. These creatures are known as...***The Darkstalkers***.

"Even humans are sometimes as vile as the Darkstalkers. As long as that holds true, The Dark can never be vanquished."

—Hsien-Ko

A unique pair of freelance ***Darkstalker Hunters***—supernatural sisters Mei-Ling and Hsien-Ko—ride into a town, expecting to find employment ridding the village of ***Darkstalkers***...only to find a mysterious monk has already done that work *for* them....

"How can you* do*...what can* not *be done?"

—Anita

There is always *more* evil to be found, however. A mad general in a suit of accursed armor is laying waste to the countryside...but he too must face the one powerful man who only wishes for ***The Dark*** expunged from everywhere in the world...even from the half-breed blood in his own body....

"There is something that the Earth needs ...and that is a ruler."

—Pyron

Starring all your favorite characters from the hit video game, ***NIGHT WARRIORS: DARKSTALKERS' REVENGE • THE ANIMATED SERIES*** is a one-of-a-kind anime thrill ride that takes traditional "monsters" to a level beyond your wildest dreams!
